

Light

A large, irregular green splat or ink blot is centered on a light green background. The word "Yuck!" is written in white, bold, sans-serif font across the middle of the splat.

**Yuck!**

The background features a bright yellow field. On the left, a large, light blue letter 'b' is partially visible. On the right, a large, light blue letter 'u' is partially visible. The word 'bendy' is written in a bold, black, sans-serif font across the center of the image, overlapping the yellow background and the blue letters.

**bendy**

The background of the image shows a series of sand dunes under a soft, hazy sky at sunset or sunrise. The dunes are covered in smooth, rippling sand, and the light from the low sun creates a warm, golden glow across the scene. The word "smooth" is written in a large, white, sans-serif font, centered horizontally and slightly above the middle vertically, standing out prominently against the darker, blue-toned sand dunes.

**GREEN**

Yellow

The background of the image is a close-up, high-resolution photograph of numerous orange slices. The slices are arranged in a dense, overlapping pattern, filling the entire frame. The lighting is bright and even, highlighting the vibrant orange color of the fruit segments and the lighter, yellowish-orange hue of the rind. The texture of the orange segments is clearly visible, showing the juicy, segmented structure of the fruit.

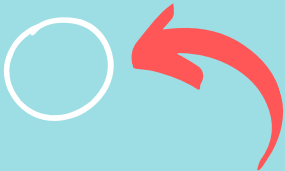

**ORANGE**

BLUE

A close-up, slightly blurred photograph of a field of purple chives. The flowers are small, round, and densely packed on green stems. The background is a soft, out-of-focus expanse of more purple flowers, creating a sense of depth. Overlaid in the center of the image is the word "Purple" in a large, bold, white sans-serif font.

**Purple**

***white***

A close-up photograph of a tree trunk with a large, jagged hole at the bottom and a smaller, circular hole higher up. The background is a blurred forest with bare branches and some autumn-colored leaves.

HOLLOW

# TALL

The background of the image is a close-up, top-down view of parched, brown soil. The soil is heavily fissured with a network of dark, irregular cracks that create a textured, mosaic-like pattern. Small clumps of earth and some dried plant matter are visible between the cracks. The overall color is a range of browns, from light tan to deep chocolate and near-black tones in the shadows of the cracks.

**Dirty**

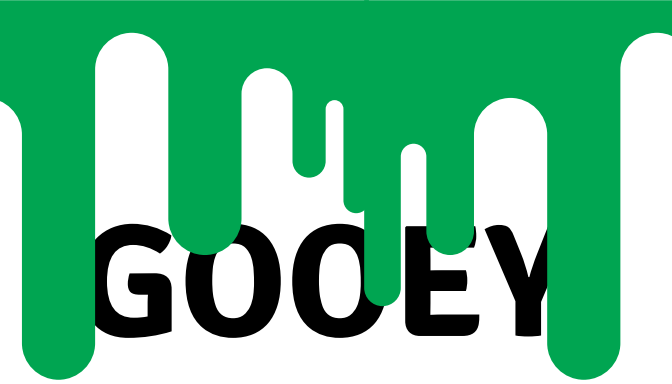

The background of the image consists of numerous vertical stripes of varying widths, each a different color from the rainbow spectrum. The colors transition from green on the far left, through yellow, orange, red, pink, purple, and finally to blue on the far right. The word "COLOURFUL" is centered horizontally across the middle of the image.

***COLOURFUL***

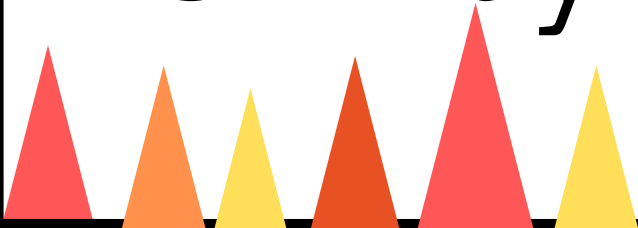

A close-up photograph of a vibrant green leaf with a prominent network of veins. A heart-shaped hole is cut out from the center of the leaf. The word "beautiful" is written in a clean, white, lowercase sans-serif font, positioned horizontally across the middle of the leaf, with the heart-shaped hole acting as a negative space for the letter 't'.

# MATCHING

Two things that look the same

# Ways to Play Find Me:

## **Competitive:**

1. Give each player a card and see who can be the fastest to find something that matches. Increase the difficulty by increasing the number of cards to match for each round (ex: give each player 4 cards and they need to find one object for each card)
2. Give each player 2 cards, the first person to find an object that matches both cards wins!
3. Shuffle the cards, and flip them over. The first person to find an object to match the top card wins!

## **Co-operative:**

1. Lay out 5 cards in a line and work together to find one item to match each card!
2. Place the card pile on the ground. Allow each player to grab a card and find a match, and continue until each card has been used. Can you find 2 items for each card?
